

EFC X EUROPEAN CONGRESS

Cervical cancer prevention and colposcopy

In collaboration with Latvian Association
of Obstetricians and Gynaecologists

Riga, Latvia | 18-21 September 2024

PROGRAMME

Wednesday 18th of September 2024

	Workshop – Difficult cases in colposcopy		Basic colposcopy course
09:00-09:30	Pregnancy – Theory Chair: Deirdre Lyons (GB), Vesna Kesic (RS) Speaker : Andrea Ciavattini (IT), Mihaela Crigore (RO)	09:00-09:10	Introduction Speaker: Maggie Cruickshank (GB)
09:30-09:40	Pregnancy Case 1 Speaker: Andrea Ciavattini (IT), Mihaela Crigore (RO)	09:10-10:30	Colposcopic principles Chair: Maggie Cruickshank (GB), Jana Žodžika (LV)
09:40-09:50	Pregnancy Case 2 Speaker: Andrea Ciavattini (IT), Mihaela Crigore (RO)	09:10-09:30	Basics of Human Papilloma Virus cervical infection Speaker: Maggie Cruickshank (GB)
09:50-10:00	Pregnancy Case 3 Speaker: Andrea Ciavattini (IT), Mihaela Crigore (RO)	09:30-09:50	Colposcopy exam of the normal cervix (TZ, SCJ, metaplasia) Speaker: Maria Castro (ES)
10:00-10:10	Pregnancy Case 4 Speaker: Andrea Ciavattini (IT), Mihaela Crigore (RO)	09:50-10:10	Colposcopic nomenclature and useful scoring systems Speaker: Jana Zodzika (LV)
10:10-10:20	Pregnancy Case 5 Speaker: Andrea Ciavattini (IT), Mihaela Crigore (RO)	10:10-10:30	Discussions
10:20-10:30	Pregnancy Case 6 Speaker: Andrea Ciavattini (IT), Mihaela Crigore (RO)		
10:30-11:00	Coffee break		
11:00-11:30	Glandular pathology – Theory Chair: Deirdre Lyons (GB), Vesna Kesic (RS) Speaker : Grainne Flannelly (IE), Deirdre Lyons (GB)	11:00-12:30	Colposcopic diagnosis Chair: Jana Žodžika (LV)
11:30-11:40	Glandular pathology Case 1 Speaker: Grainne Flannelly (IE), Deirdre Lyons (GB)	11:00-11:30	Management principles of the cervical SIL and European guidelines Speaker: Maria Castro (ES)
11:40-11:50	Glandular pathology Case 2 Speaker: Grainne Flannelly (IE), Deirdre Lyons (GB)	11:30-12:30	Interactive case and discussion Speaker: Annu Heinonen (FI), Jana Žodžika (LV), Maria Castro (ES), Maggie Cruickshank (GB)
11:50-12:00	Glandular pathology Case 3 Speaker: Grainne Flannelly (IE), Deirdre Lyons (GB)		
12:00-12:10	Glandular pathology Case 4 Speaker: Grainne Flannelly (IE), Deirdre Lyons (GB)		
12:10-12:20	Glandular pathology Case 5 Speaker: Grainne Flannelly (IE), Deirdre Lyons (GB)		
12:20-12:30	Glandular pathology Case 6 Speaker: Grainne Flannelly (IE), Deirdre Lyons (GB)		
12:30-13:30	Free time		

Wednesday 18th of September 2024

	Workshop – Difficult cases in colposcopy		Basic colposcopy course
13:30-14:00	VIN& VaIN – Theory Chair: Deirdre Lyons (GB), Vesna Kesic (RS) Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)	13:30-15:00	Colposcopic management Chair : Annu Heinonen (FI)
14:00-14:10	VIN& VaIN Case 1 Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)	13:30-13:50	Follow up after treatment Speaker: Annu Heinonen (FI)
14:10-14:20	VIN& VaIN Case 2 Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)		
14:20-14:30	VIN& VaIN Case 3 Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)	13:50-14:10	Morbidity and safety of treatments Speaker: Jana Zodzika (LV)
14:30-14:40	VIN& VaIN Case 4 Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)	14:10-14:30	Basics of Cervical Cytology and Histology of Normal and Abnormal Cervical Epithelium Speaker: Christine Bergeron (FR)
14:40-14:50	VIN& VaIN Case 5 Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)		
14:50-15:00	VIN& VaIN Case 6 Speaker: Vesna Kesic, (SRB), Xavier Carcopino (FR)	14:30-15:00	Interactive case and discussion Speakers : Annu Heinonen (FI), Jana Zodzika (LV), Maria Castro (ES), Maggie Cruickshank (GB), Christine Bergeron
15:00-15:30	Coffee break		
15:30-16:00	Anal and multizonal disease – Theory Chair: Deirdre Lyons (GB), Vesna Kesic (RS) Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)	15:30-17:00	Interactive session “How to set the colposcope?” Chair : Maria Castro (ES)
16:00-16:10	Anal and multizonal disease Case 1 Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)	15:30-15:50	Colposcope: the device and how to use it? Speaker: Maria Castro (ES)
16:10-16:20	Anal and multizonal disease Case 2 Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)	15:50-17:00	Colposcopy setting - 3 stations with 3 colposcopes Speaker: Annu Heinonen (FI), Maria Castro (ES), Jana Zodzika (LV)
16:20-16:30	Anal and multizonal disease Case 3 Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)		
16:30-16:40	Anal and multizonal disease Case 4 Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)		
16:40-16:50	Anal and multizonal disease Case 5 Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)		
16:50-17:00	Anal and multizonal disease Case 6 Speaker: Deirdre Lyons (GB), Maggie Cruickshank (GB)		

Thursday 19th of September 2024

Room Omega 1	
09:00-09:10	Opening session Maggie Cruickshank (GB), Jana Žodžika (LV) and Vija Veisa (LV)
09:10-09:20	In Memorium Charles Redman Maggie Cruickshank, Christine Bergeron, Pekka Nieminen
09:20-10:50	Working towards eliminating cervical cancer - current knowledge on HPV natural history and screening: part Chairs: Laura Kotaniemi (FI), Anne Hammer (DK)
09:20-09:35	Current evidence for HPV natural history and latency Speaker: John Doorbar (GB)
09:35-09:50	Clinical implications of HPV latency Speaker: Anne Hammer (DK)
09:50-10:05	The role of microbiome on HPV infection and SIL Speaker: Olga Plisko (LV)
10:05-10:20	Triage of HPV-positive patients Speaker: Marc Arbyn (BE)
10:20-10:50	Discussions
10:50-11:20	Coffee break & Selected Free Communications Chairs: Kristina Jariene, Karoliina Louvanto
10:50-10:55	Distribution of intraepithelial lymphocytes and macrophages in cervical microenvironment during the progression of cervical intraepithelial neoplasia Speaker: Ketevan Manjgaladze
10:55-11:00	Can implementing swede score at conization increase the proportion of conis with negative resection margins? preliminary data Speaker: Astrid Bakke Orvik
11:00-11:05	HPV vaccination and recurrence of cervical intraepithelial neoplasia: insights from a retrospective analysis Speaker: Marta Almeida
11:05-11:10	Internal audit of the center of expert colposcopy. is it possible to meet the ecf criteria? Speaker: Vladimir Dvorak jr.
11:20-12:50	Working towards eliminating cervical cancer: current knowledge on HPV natural history and screening: part II Chairs: Maggie Cruickshank (GB) and Jana Žodžika (LV)
11:20-11:40	Do we need a co-testing? Speaker: Olaf Reich (AT) & Christine Bergeron (FR)
11:40-11:50	Is high-grade squamous intraepithelial lesion risk-based management the future of cervical cancer screening? Speaker: Maciej Mazurec (PO)
11:50-12:00	Screening for cervical cancer in older women Speaker: Anne Hammer (DK)
12:00-12:10	Self-sampling in HPV-based screening programmes Speaker: Kristina Elfgren (SE)
12:10-12:50	Discussions
12:50-14:35	Free time

Thursday 19th of September 2024

Room Omega 1	
14:35-16:00	HPV vaccination: moving towards cervical cancer eradication Chairs: Pekka Nieminen (FI), Dace Rezeberga (LV)
14:35-14:45	Status of HPV vaccination in Europe – results of EU4Joint Action PERCH Speaker: Marc Arbyn (BE)
14:45-14:55	Impact of vaccination on screening Speaker: Simopekka Vänskä (FI)
14:55-15:05	Impact of vaccination on colposcopy Speaker: Maggie Cruickshank (GB)
15:05-15:15	Vaccination after treatment: NOVEL study – preliminary results Speaker : Pekka Nieminen (FI)
15:15-16:00	Discussions
16:00-16:30	Coffee break & Selected Free Communications Chairs: Eva-Maria Niine-Roolah, Tamar Alibegashvili
16:00-16:05	Parity as a predictive factor of cervical length regeneration after large loop excision of the transformation zone Speaker: Laura Lüse
16:05-16:10	The role of colposcopy in identifying precancerous changes in the cervix Speaker: Nargiz Gurbatova
16:10-16:15	Evaluation of C-ARG and Equalis' national External Quality Assurance (EQA) scheme of colposcopy examinations 2024 Speaker: Hanna Milerad
16:15-16:20	The Risk Factors of Cervical Squamous Intraepithelial Lesions Among Women Attending Colposcopy Clinic Speaker: Natalija Berza
16:30-17:30	Communication with patients and social media Chairs: Grainne Flannelly (IRL), Ameli Trope (NO)
16:30-16:45	New paradigm of social media Speaker: Grainne Flannelly (IE)
16:45-17:00	How to inform patients and which information should we provide about HPV infection and vaccination Speaker: Laura Kotaniemi (FI)
17:00-17:10	A Patient voice Speaker: Johanna Vierikko (FI)
17:10-17:30	Discussions

Thursday 19th of September 2024

Room Omega 1	
17:30-18:30	<p>Selected best oral presentations Chairs: Olga Plisko (LV), Maria Castro (ES)</p>
17:30-17:40	<p>Abstract presentation N1 Screening behavior after HSIL/AIS and the risk of invasive cervical and vaginal cancer: A nationwide cohort study 1999-2018 Speaker: Hanna Milerad</p>
17:40-17:50	<p>Abstract presentation N2 Women's reasoning and experience in the cervical cancer screening program when offered a self-sampling hpv-test: a qualitative content analysis Speaker: Caroline Hellsten</p>
17:50-18:00	<p>Abstract presentation N3 Comparison of cytological and hpv-based screening within population-based screening program in finland Speaker: Iiris Turunen</p>
18:00-18:10	<p>Abstract presentation N4 Reproducibility of colposcopy quality indicators - a survey among members of the European Federation for Colposcopy Speaker: Tina Hovgaard Randrup</p>
18:10-18:20	<p>Abstract presentation N5 Routine program audit of cervical cancer to identify remaining risks and guide elimination efforts Speaker: Cecilia Kärrberg</p>
18:20-18:30	<p>Abstract presentation N6 DNA methylation for risk-stratification of screen-positive women with a TZ3 Speaker: Anne Hammer</p>

Friday 20th of September 2024

Room Omega 1	
08:30-09:00	Selected best oral presentations Chairs: Anne Hammer (DK), Kristina Jariene (LT)
08:30-08:40	Abstract presentation N7 The effect of the covid-19 pandemic on colposcopy services and practice: a systematic review and meta-analysis Speaker: Giovanni Delli Carpini
08:40-08:50	Abstract presentation N8 Understanding Women's Values in Managing Human Papillomavirus (HPV) Speaker: Alice McGee
08:50-09:00	Abstract presentation N9 Mapping the spread: spatial analysis of hpv infection and contributing factors Speaker: Rita Sousa
09:00-10:45	Optimal management of cervical intraepithelial lesions Chairs: Illka Kalliala (FI), Kristīne Pčolkina (LV)
09:00-09:15	Management of persistent HPV and low-grade lesions Speaker: Andrea Ciavattini (IT)
09:15-09:30	Clinical management of CIN2 across countries Speaker: Karolina Aro (FI)
09:30-09:45	Risk associated with active surveillance for CIN2 Speaker: Kathrine Dyhr Lycke (DK)
09:45-10:00	Risk stratifications of CIN 2 for clinical management Speaker: Karoliina Louvanto (FI)
10:00-10:15	Optimal treatment strategies of adenocarcinoma in situ Speaker: Xavier Carcopino (FR)
10:15-10:45	Discussions
10:45-11:15	Coffee break & Selected Free Communications Chairs: Dace Rezeberga & Mihaela Grigore
10:45-10:50	Recognition of reserved cells and their proliferative pattern at clear margins of leep sample as possible marker of high risk of cin2+ recurrences Speaker: Iryna Muryzina
10:50-10:55	Efficacy of intensive regimen of a multi-ingredient coriolus versicolor-based vaginal gel in increasing hpv clearance: results from the paloma clinical trial Speaker: Luis Serrano
10:55-11:00	Efficacy of a multi-ingredient coriolus versicolor-based vaginal gel on high-risk hpv clearance: preliminary results from the paloma 2 clinical trial Speaker: Patricia Sanmartin Salinas
11:00-11:05	Efficacy of intensive regimen of a multi-ingredient coriolus versicolor-based vaginal gel (papilocare®) in hr-hpv clearance: preliminary pooled results from the paloma 1 and paloma 2 clinical trials Speaker: Luis Serrano
11:05-11:10	Effect of a multi-ingredient coriolus versicolor-based vaginal gel on hpv 16/18 clearance: preliminary results from the papilocan clinical trial Speaker: Patricia Sanmartin Salinas
11:10-11:15	Evaluating the efficacy of coriolus versicolor-based vaginal gel in conservative management of cin2 lesions: an observational study Speaker: Nadia Nassar

Friday 20th of September 2024

Room Omega 1	
11:15-12:45	Challenges in colposcopy Chairs: Xavier Carcopino (FR), Kristina Jariene (LT)
11:15-11:30	Management of women with type 3 TZ Speaker: Jean Luc Mergui (FR)
11:30-11:45	Colposcopy of pregnant women Wojciech Kolawa (PO)
11:45-12:00	Screening and management of immunocompromised women Speaker: Ruud Bekkers (NL)
12:00-12:15	Prospects of eliminating cervical cancer in Ukraine Speaker: Natalya Volodko (UA)
12:15-12:45	Discussions
12:45-14:00	Free time
14:00-15:30	Ensuring standards and quality assurance in women in Europe: colposcopy standards Chairs: Maggie Cruickshank (GB) and Robert Jach (PO)
14:00-14:15	Challenging colposcopy cases: applying EFC/ESGO European consensus statement on expert colposcopy Speaker: Maggie Cruickshank (GB)
14:15-14:30	Cervical cancer screening in Europe: quality assurance and organisation of programmes in 2024 Speaker: Miriam Elfström (SE)
14:30-14:45	Ambitions for quality assurance in Hungary Speaker: Robert Koiss (HU)
14:45-15:00	Feasibility of collecting and comparing quality indicators on colposcopy: an update from the EFC Quality and standard group Speaker: Anne Hammer (DK)
15:00-15:30	Discussions
15:30-16:00	Coffee break & Selected Free Communications Chairs: Kristīne Pčolkina & Natalya Volodko
15:30-15:35	Cervical cancer screening in a health centre in Lisbon – a retrospective observational study Speaker: Inês Cordeiro
15:35-15:40	Analysis of screening history of cervical cancer cases in Latvia Speaker: Elvita Penka
15:40-15:45	Prevention of cervical cancer in Latvia Speaker: Gunta Lazdane
15:45-15:50	Comparative analysis of pap-test and histological examination in various degrees of cervical intraepithelial neoplasia (cin) Speaker: Yelena Dissyukeva
15:50-15:55	Adequacy of excisional treatment for cervical precancer in Denmark Speaker: Ane-Kersti Skaarup Knudsen

Friday 20th of September 2024

16:00-17:30	<p>Ensuring the prevention of cervical cancer: reducing the risk for women post-treatment Chairs: Xavier Carcopino (FR), Maria Castro (ES)</p>
16:00-16:15	<p>Reasons of recurrent and residual disease after cervical SIL treatment Speaker: Evangelos Paraskevaidis (GR)</p>
16:15-16:30	<p>Risk of persistent HPV infection and cervical SIL after treatment Speaker: Kristina Elfgren (SE)</p>
16:30-16:45	<p>Post-treatment follow-up of cervical SIL and adenocarcinoma in situ Speaker: Maggiorino Barbero (IT)</p>
16:45-17:00	<p>Follow up after VIN and VaIN treatment Speaker: Vesna Kesic (SRB)</p>
17:00-17:30	<p>Discussions</p>
17:30-18:00	<p>Selected best oral presentations Chairs: Eva-Maria Niine-Roolaht (EE), Tamar Alibegashvili (GE)</p>
17:30-17:40	<p>Abstract presentation N10 Does active surveillance for cin2 reduce the risk of preterm birth? a danish registry-based cohort study Speaker: Kathrine Dyhr Lycke</p>
17:40-17:50	<p>Abstract presentation N11 HPV E4/p16INK4a immunohistochemistry for the prediction of CIN2 regression - a historical cohort study Speaker: Anne Hammer</p>
17:50-18:00	<p>Abstract presentation N12 Risk of anogenital precancer and cancer in women undergoing active surveillance for cin2 – a population-based cohort study Speaker: Kathrine Dyhr Lycke</p>

Saturday 21st of September 2024

Room Omega 1	
08:30-09:00	<p>Selected best oral presentations Chairs: Jana Žodžika (LV), Annu Heinonen (FI)</p>
08:30-08:40	<p>Abstract presentation N13 Clinical management of postmenopausal women attending colposcopy after an abnormal cervical cancer screening test – a survey across EFC member countries Speaker: Lotte Krog Eriksen</p>
08:40-08:50	<p>Abstract presentation N14 Probability and predictive factors of the absence of high-grade intraepithelial lesion on excision specimen following histological diagnosis of high-grade intraepithelial lesion Speaker: Sophia Assirikian</p>
08:50-09:00	<p>Abstract presentation N15 Can swedescore improve the diagnostic accuracy of cervical cancer and precancer? Speaker: Ane-Kersti Skaarup Knudsen</p>
09:00-10:15	<p>Cervical pre/cancer and reproductive outcomes Chairs: Mihaela Grigore (RO), Maria Kyrgiou (GB)</p>
09:00-09:15	<p>Fertility sparing treatment in cervical cancer – selection of candidates and management ESGO/ESTRO/ESP Update 2023 Speaker: Robert Jach (PO)</p>
09:15-09:30	<p>HPV infection and fertility Speaker: Ilkka Kalliala (FI)</p>
09:30-09:45	<p>Optimal decision making in management of SIL Speaker: Maria Kyrgiou (GB)</p>
09:45-10:15	<p>Discussions</p>
10:15-10:45	<p>Coffee break & Selected Free Communications Chairs: Olga Plisko & Ameli Trope</p>
10:15-10:20	<p>Management of CIN 2 – review of outcomes Speaker: Deirdre Lyons</p>
10:20-10:25	<p>Gastric type endocervical adenocarcinoma with bilateral metastases to ovaries: a case report Speaker: Emeri Laas</p>
10:25-10:30	<p>Risk of gestational diabetes mellitus following management for cervical intraepithelial neoplasia grade 2 Speaker: Lotte Krog Eriksen</p>
10:30-10:35	<p>Pelvic vessel embolization: life saving procedure for vaginal bleeding in advanced cervical cancer Speaker: Lubova Lapidus</p>

Saturday 21st of September 2024

Room Omega 1	
10:45-12:45	Multidisciplinary team meetings in colposcopy Chairs: Pekka Nieminen (FI), Christine Bergeron (FR)
10:45-10:55	How to organize an MDT in colposcopy clinic Speaker: Pekka Nieminen (FI)
10:55-11:15	Multidisciplinary team meeting in colposcopy Case 1 Speaker: Kristina Jariene (LT)
11:15-11:35	Multidisciplinary team meeting in colposcopy Case 2 Speaker: Eva-Maria Niine-Roolaht (EE)
11:35-11:55	Multidisciplinary team meeting in colposcopy Case 3 Speaker: Melanie Henes (DE)
11:55-12:15	Multidisciplinary team meeting in colposcopy Case 4 Speaker: Kristine Pcolkina (LV)
12:15-12:30	Report of recipient of the Emmanuel Diakomanolis EFC Colposcopy prizes 2022: Experience on quality assurance system in UK Speaker: Iryna Muryzina (UA)
12:30-12:45	Report of recipient of the Emmanuel Diakomanolis EFC Colposcopy prizes 2022: Experience on training and education programme in colposcopy in Finland Speaker: Luka Roškar (SI)
12:45-13:15	Closing remarks & awards ceremony
